## **DETAILED ACTION**

The following is an examiner's statement of reasons for allowance: "a determining component for determining what percentage of the inputted image data which has been expanded by bit mapping corresponds to character image data" and "a selection component for selecting predetermined paper in accordance with the percentage corresponding to character image data determined by said determination component" of the independent claims are found to be novel. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
